

Friendship Mini Camp 2017

Theresa Couture, LCMFT is offering a series of social skill mini camps for elementary, middle school and high school students again this summer. Small groups are formed based on age and gender. Students learn skills to improve social interaction while building self-confidence and resiliency.

Students will practice:

- Social initiation skills
- Social response skills
- Self-assessment
- Positive self-expression
- Conflict resolution
- Skills to navigate difficult peers

Groups are taught with role play vignettes. The role plays are videotaped and reviewed so students can see how their interactions are impacting their friendships. Students are inspired when they see themselves on video positively handling challenging social situations.

Theresa Couture is a Licensed Clinical Marriage, Family & Child Therapist at Responsive Centers for Psychology & Learning in Overland Park, Kansas. She has run social skills groups for the past 24 years in schools and in her private practice.
